# Distributing Agent-based models using distribution model

Lucas Grosjean

April 2023

# 1 Abstract

# 2 Introduction

# 3 Related work in distributed MAS

# 4 Thematic Model

## 4.1 Definition

## 4.2 Black-boxing the thematic model

## 4.3 Data to manipulate

# 5 Distribution Model

## 5.1 Definition

## 5.2 Using MAS to distribute MAS

## 5.3 Species

### 5.3.1 Partionning Agent

### 5.3.2 Load Balancing Agent

### 5.3.3 Communication Agent

### 5.3.4 Visualization Agent

### 5.3.5 Synchronization Agent

# 6 Proxy Agent

# 7 User's influence on the distribution model

## 7.1 Choice in predefined distribution model

### 7.1.1 Possible configuration of the distribution model

## 7.2 Interfacing agent in distribution model

## 8 Conclusion

## 9 References
